LEGO SOCIAL SKILLS GROUP Newsletter

April 16, 2024 - June 25, 2024

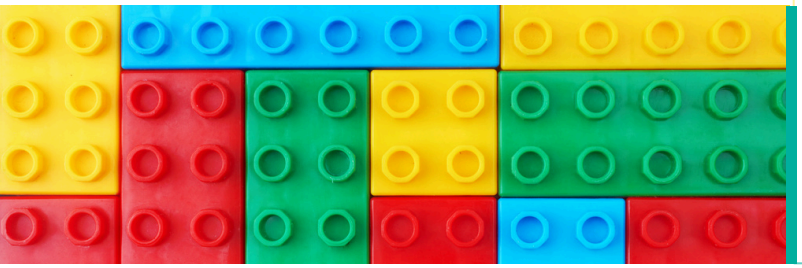
Group Overview

Lego Group helped young children ages 6 - 8 with learning and applying self-control techniques and building problem-solving skills while working in a team.

Weekly Goals

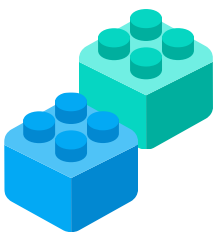
The weekly goals for each young person in the team focused on:

1. Patience
2. Following Directions
3. Self-Control
4. Problem-Solving
5. Verbal Communication
6. Listening Skills
7. Teamwork
8. Working Memory
9. Fine Motor Skills
10. Spatial Awareness



Activity Highlights

The goal was to allow young people to practice friendship skills, teamwork, following directions, and effective communication. In addition, they were challenged to develop patience, use creativity, and demonstrate a level of focus in completing a task. Lastly, Lego Group allowed young people the opportunity to have fun and enjoy each other's company.



Ways to Reinforce Growth:

- Set Expectations and Boundaries
- Use Clear Communication
- Give Age-Appropriate Tasks to Increase Confidence
- Encourage Team Work by Working Together to Complete Tasks
